**WE NEED YOUR PHOTOS**

As part of this year's Breast Cancer Awareness Day we are making a slideshow of women and men who have fought or lost their fight to breast cancer during the last 5 years.

The slideshow will be displayed on a large screen on the 4th floor Rotunda. And will show your representative, and senator that YOU are among their constituents who care about breast cancer education and treatment.

You can email photos to [breastimpressions@cox.net](mailto:breastimpressions@cox.net) or mail it to the address below with a self stamped envelope for return. Please provide your first and last name, or that of the deceased, along with the county of residence, age at diagnosis or age at death.
